SPRING 2024 COMMUNIQUE

Dear Friends in Christ,

Last August, we were made aware of an article to be published in the *Grace in Focus* magazine, “Free Grace and Ultra-Dispensationalism” by Laurence M. Vance, which mentions *Berean Bible Society* and C. R. Stam. Of course, the article paints mid-Acts dispensationalism in a negative light. The author stated our beliefs accurately but then attempted to knock them down with arguments that can be easily refuted. I give Laurence Vance credit for at least acknowledging our existence because mainstream Christianity and its leaders have been ignoring us for decades. There is a positive result that can come out of this though because, like in the days of Pastors O’Hair and Stam, when our doctrinal position is attacked, it brings awareness to it and can lead to some discovering the truth. Let’s pray to that end!

Grace Study Bible Update: Our mid-Acts dispensational study Bible project continues to move forward steadily. At this stage, we have books that are still having their explanatory notes written, others that are in the doctrinal edit phase, some in the grammatical proofreading stage, while still others are complete and in their final layout. One unique feature of this Bible, among many others, is that a special page will be placed in front of Acts 9 to explain the importance of Paul’s conversion, apostleship, and message. This exciting project needs your continued prayers and financial support. If you would like to donate toward it, please designate your gifts to the “Grace Bible.”

Transformed by Grace Changes: Our television ministry, *Transformed by Grace*, is moving on Sunday mornings from WJYS in Chicagoland to The Walk Television Network. This will give us a greater national outreach, as “The Walk” has more than 60 broadcast affiliates, over-the-air and cable, that reach a potential 26 million households around the country. Beginning May 5th, our program will air on Sundays at 9:00 a.m. ET, 8:00 a.m. CT, 7:00 a.m. MT, 6:00 a.m. PT. Also, to make it simpler to locate our *Transformed by Grace* videos on Roku and Apple TV, we are updating the BBS Network and renaming it Transformed by Grace (TBG). This change is coming soon and the channel will have all the same content that was on the BBS Network.

BBS Conference Ministry: Sitting under the preaching of the Word, rightly divided, with like-minded saints at a Bible conference is time well spent. It can rejuvenate our faith and encourage us in our walk with the Lord. Our 2024 conference schedule takes us north to Wisconsin, south to Kentucky, west to California, east to Pennsylvania, and many places in between. In June, BBS staff and board members will be speaking with other pastors and teachers from around the country at the *Berean Bible Fellowship* summer conference in Tipp City, Ohio. Our conference schedule can be found on our app as well as on our website at bereanbiblesociety.org/conferences/. We would love to see you at one of our 2024 conferences, and if you’d like BBS to come to your area in 2025, please consider hosting us at your local church or at a conference venue near you.

Grace and peace,

Kevin J. Sadler, President
