

BEREAN BIBLE SOCIETY

An Organization for the Promotion of Bible Study

SPRING 2025 COMMUNIQUÉ

Dear Friends in Christ,

In 2025, the *Berean Bible Society* is celebrating 85 years of ministry. March 1940 was the first issue of our *Berean Searchlight* magazine. We are grateful to the Lord for all those who have supported this ministry through the years with prayer and financial gifts. Due to the support of Christian friends, as it has been since the beginning, we continue to send the *Berean Searchlight* free of charge. This has enabled us to get the truth of God's grace into the hands of many.

Grace Study Bible: A mid-Acts, dispensational study Bible goes hand in glove with our purpose at *Berean Bible Society*. To help you understand, enjoy, and apply the Bible. Therefore, we are thrilled to announce that the *Grace Study Bible* is nearing its completion and that we plan to have it in print and available for sale on *December 1* of this year! However, we have reached the stage of needing your help to offset the printing costs. We are printing two sizes of the Bible, a regular size and a large print. The printing and shipping will cost \$100,000 for 2000 Bibles. Every contribution helps and is greatly appreciated. If you would like to donate to the *Grace Study Bible*, you can do so by mail, phone, or online at bereanbiblesociety.org/donations/.

Transformed by Grace: Of late, we have been hearing that *Transformed by Grace* (TBG) is being used for adult Sunday School classes, Bible studies, and even in church start-ups. It has been encouraging to see the videos being used by the Lord in ways we never expected. At the end of March, our contract ended with "The Walk," where we were broadcasting nationally on Sunday mornings. We decided not to renew it due to the expenses we currently have with the *Grace Study Bible*. However, for a one-time cost of \$2500 we decided to add our TBG streaming channel to Amazon Fire TV. We will announce in the *Berean Searchlight* when the channel is up and running. Enclosed with this letter is an updated business card which reflects where we currently broadcast *Transformed by Grace*. If you'd like to give to TBG or toward the \$2500 cost of adding our streaming channel to Amazon Fire TV, please designate your gift to "Transformed by Grace."

Find Grace Churches/Bible Studies: An exciting addition to our website this year is our new "Find Grace Churches/Bible Studies" page. This page contains an interactive map that allows you to search for a Grace ministry in a 10 to 500-mile radius from your zip code. You can also look for one in the large list of churches and Bible studies, "By State." This new feature is on the homepage of our website and at bereanbiblesociety.org/find-grace-churches/.

TBG Regional Conference: As an outreach to gather and encourage Grace believers in the southeast, a BBS-sponsored regional conference is being held at the Great Wolf Lodge in Concord, North Carolina. The date for this meeting is Saturday, August 16. For additional information, please contact the *Berean Bible Society*. Meeting at the Great Wolf Lodge makes me think I should preach on the "grievous wolves" (Acts 20:29) that don't spare the flock! We hope to see you there!

Grace and peace,

Kevin J. Sadler, President
